2000 GENERAL PROVISIONS

2000.1 The purpose of this chapter is to establish minimum standards for the separation, collection, and recycling in the District of Columbia of newspaper, office paper, yard waste, metals, glass and other commodities as determined by the Mayor. Responsibility for implementing the regulations of this chapter has been delegated to the Director, Department of Public Works (hereafter referred to as the "Director").

2000.2 The Director or a designee may issue tickets and levy fines in accordance with the provisions of D.C. Law 6-100, the Litter Control Administration Act of 1985, as amended, D.C. Code §6-2901 *et seq.* (1995 Repl. Vol.). Furthermore, the Director has the authority to refuse to collect or dispose of any solid waste that is not separated as required by this chapter, in accordance with the provisions of D.C. Code §6-3417 (1995 Repl. Vol.).

2000.3 The Director or a designee shall be provided access to premises within the District of Columbia in accordance with the provisions of D.C. Code §6-2903(b) (1995 Repl. Vol.).

2000.4 In the event of any violation of, or failure to comply with the provisions of this chapter, 21 DCMR §700.7 shall apply.

2000.5 Metal products (such as toys, lawn furniture, cooking utensils, appliances) and glass products (such as mirrors, windows, and vases) shall not be placed into recycling containers for collection.

2000.6 Containers of household hazardous wastes (such as paint, insecticide, poisons, and aerosol sprays) shall not be placed into recycling containers for collection.

AUTHORITY: Unless otherwise noted, the authority for this chapter is the D.C. Solid Waste Management and Multi-Material Recycling Act of 1988, D.C. Law 7-226, D.C. Code §§6-2901 *et seq.* and 6-3401 *et seq.* (1995 Repl. Vol.); §412 of the District of Columbia Self-Government and Governmental Reorganization Act, 87 *Stat.* 790. Pub.L. 93-198 D.C. Code §1-227(a) (1992 Repl. Vol.).

2021 RECYCLING REQUIREMENTS FOR PREMISES NOT ELIGIBLE FOR DPW COLLECTION SERVICES

2021.1 Premises not authorized to receive the District collection services shall be considered commercial properties.

2021.2 Each owner or occupant of a commercial property responsible for its own solid waste removal shall also be responsible for the separate removal of recyclable material, unless otherwise provided for in their lease agreement.

2021.3 Each owner or occupant responsible for the separate removal of recyclable materials at a commercial property shall execute and submit to DPW for approval a recycling plan to include, at a minimum, the following:

(a) A binding contract with a registered recycling hauler; or a written self-implementing plan for the removal of recyclables in compliance with this section;

(b) The commodities to be recycled;

(c) The frequency of the collection of recyclable commodities;

(d) The name and phone number of the property's designated recycling coordinator;

(e) The square footage of the property;

(f) The number of units within the building, if the property is an apartment building, condominium, or cooperative; and

(g) The number of full-time and part-time employees employed at the property.

2021.4 DPW shall review each plan for compliance with the regulations set forth in this chapter.

2021.5 Upon notification that the proposed recycling plan was not approved, it is the responsibility of each owner or occupant of a commercial property to submit an amended recycling plan to DPW within fourteen (14) days of the date on the notice.

2021.6 Upon notification of approval, each owner or occupant of a commercial property shall be responsible to comply with the provisions of and to show on demand the recycling plan.

2021.7 Each owner, occupant, agent or governing board shall be responsible for submitting to DPW an updated recycling plan every two (2) years, calculated from the date the current plan was approved.

2021.8 Any interim changes shall be reported within fourteen (14) calendar days from the date the change is implemented.

2037 STORAGE AREA

2037.1 Recyclable material shall be stored in compliance with the *BOCA National Fire Prevention Code/1990* and the *D.C. Fire Prevention Code Supplement of 1992.*

SOURCE: Final Rulemaking published at 39 DCR 7470, 7479 (October 2, 1992).

2038 ANTI-SCAVENGING

2038.1 Nothing in this chapter shall limit the right of an individual to donate, sell, or otherwise recycle his or her materials.

SOURCE: Final Rulemaking published at 39 DCR 7470, 7479 (October 2, 1992).

2039 - 2049 [RESERVED]

2050 REGISTRATION TO PROVIDE RECYCLING SERVICES

2050.1 Each person, organization, or agent engaged in the business of collecting or processing recyclable materials shall register with the Director. The fee for this registration shall be twenty-four dollars ($24) per vehicle and shall be paid annually, but may be otherwise pro-rated as per-knitted in D.C. Code §47-2805 (1990 Repl. Vol.). This registration is in addition to any license required by §710.

2050.2 Applications for recycling registration shall be submitted on forms provided by the Director.

2050.3 The fee for registration shall be submitted, in the for of a check or money order made payable to the D.C. Treasurer, with the application.

2050.4 Registration shall be valid from the first Monday in March of each year, and expire on the Sunday preceding the first Monday in March of the following year.

2050.5 The Director shall provide two (2) stickers indicating the vehicle registration number to all registered vehicles.

2050.6 One registration sticker shall be affixed on the lower right corner of the driver's door and one registration sticker shall be affixed on the lower left corner of the passenger's door in a manner as to be clearly visible at all times.

2050.7 Nothing in this section shall be construed to require any indigent person who collects recyclable materials to obtain a recycling registration. For the purpose of this section, indigent person means any individual who is financially eligible for emergency assistance services in accordance with §9 of the Emergency Assistance Program Act of 1988 (D.C. Law 7-221; D.C. Code §3-1008, effective March 16, 1989).

2050.8 All registered recycling collectors shall provide for the recycling of all materials collected from any property in accordance with agreements in effect between recyclable material generators or their agents and the registered recycling collector. Owners and occupants shall not be held liable for the failure of registered recycling collectors to perform services under the terms of their agreement.

2051 MONTHLY REPORTING

2051.1 Each person or business engaged in the collection or recycling of recyclables, as defined in §2050, shall be required to submit monthly reports and corresponding certified scale tickets to the D.C. Office of Recycling verifying the tonnage of recyclable materials collected by commodity.

2051.2 Each person or business removing recyclables under an approved self-implementing plan, as provided in §2021, shall be required to submit monthly reports and corresponding scale tickets to the D.C. Office of Recycling verifying the tonnage of recyclable materials collected by commodity.

2051.3 Monthly reports shall be submitted by the fifteenth (15th) day of the following month (i.e., recyclable collected in January must be recorded in the report received by February 15th).

2051.4 Monthly reporting forms shall be obtained from the D.C. Office of Recycling.

SOURCE: Final Rulemaking published at 39 DCR 7470, 7480 (October 2, 1992).

2052 HAULING ENFORCEMENT

2052.1 Recyclables, as defined in this chapter, shall not be deposited at any District solid waste disposal facility, unless otherwise approved by the Director.

2052.2 The contents of vehicles hauling solid waste to any District of Columbia disposal facility shall be subject to visual inspection for evidence of recyclables, as defined in this chapter. If recyclables are detected, the driver of the vehicle shall be required to dump the load in an area away from regular dumping activities. If, upon separation and inspection of the vehicle's contents, a substantial amount of the load (approximately 30%) is determined to be recyclable, the inspector shall issue a Notice of Violation in accordance with §2061.

2052.3 If any registered recycler, licensed solid waste hauler, or its agent violates any provision of this section, any or all vehicles operated by that violator may be denied access to the District disposal facilities for a period not to exceed thirty (30) days for each violation.

2052.4 Three (3) or more combined violations of this chapter, within a twelve (12) month period, may result in denied access to any or all District solid waste disposal facilities or result in the suspension or revocation of the recycling registration and solid waste license for a maximum of twelve (12) months.
