## APPROVAL

Based upon plans review performed under my direct supervision, and my review of substantiating reports, it is my professional judgment that, to the best of my knowledge, (a) the plans were designed and presented as outlined by the provisions of the District of Columbia Construction Codes; and (b) the engineered systems and/or construction features are deemed, to be compliant with the relevant codes and regulations.

This certification does not relieve the registered designer(s) of record and other parties of their responsibilities for the design or construction of the project.

I understand that, if I make a false statement on this certification, I could be criminally prosecuted; and, if I'm convicted, I could be fined up to \$1000, imprisoned up to 180 days, or both under DC Official Code § 22-2405.

Certified under my seal and signature, this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_.
