January 22, 2014

The Honorable Phil Mendelson
Chairman, Council of the District of Columbia
The John A. Wilson Building
1350 Pennsylvania Avenue, N.W.
Washington, D.C. 20004

Dear Chairman Mendelson:

Pursuant to the District of Columbia Freedom of Information Act ("DC FOIA"), D.C. Official Code § 2-531 et seq. (2001), as amended, enclosed is a listing of the lawsuits which were filed pursuant to the DC FOIA, during fiscal year 2013 and defended by the Office of the Attorney General for the District of Columbia ("OAG"). I have also included the disposition of those cases which were filed during fiscal year 2012 or earlier but not resolved at the time OAG's fiscal year 2012 report was submitted to the Council of the District of Columbia. To the extent a DC FOIA lawsuit was filed against a public body for which the OAG does not provide legal representation, such a case would not be reflected in this report.

The report covers the period encompassing October 1, 2012 through September 30, 2013, and contains the data responsive to the annual reporting requirements mandated by D.C. Official Code § 2-538(c), including the following:

1. A listing of the number of cases arising under the DC FOIA;
2. The exemption(s) involved in each case, where applicable;
3. The disposition of the case; and
4. The costs, if any, assessed pursuant to D.C. Official Code § 2-537(c).

If you have any questions or concerns regarding this report, please contact Victor Bonett, Legislative Affairs and FOIA Officer for the Office of the Attorney General for the District of Columbia, at (202) 724-5562 or by electronic mail at victor.bonett@dc.gov.

CIVIL LITIGATION DIVISION

1. a. Case Name/Number: Fraternal Order of Police v. District of Columbia (MPD) Civ. No. 05-7011, District of Columbia Superior Court
 - b. Exemption(s) Claimed: D.C. Official Code §2-534(a)(2) – Personal Privacy; D.C. Official Code § 2-534 (a)(3)(A)(i) – Law Enforcement Investigatory Records; D.C. Official Code §2-534(b) – Non-privileged information not reasonably segregable; D.C. Official Code § 2-532(c)-the FOP's request did not reasonably describe requested documents.
 - c. Disposition of Case: This matter was fully litigated in the Superior Court, appealed and then remanded for further proceedings. Plaintiff requested copies of all Disciplinary Review Board documents and EEO documents for all investigations of officers within a five year period. The court initially issued an order requiring production which was appealed, and on remand we renewed our argument that there was confidential information included in the documents that could not be redacted without rendering the documents unusable. We also argued that if the District is required to produce the documents, FOP should be required to bear the costs of pay the cost of production.
 - d. Costs Assessed: The FOP was ordered to pay \$1.58 per page for the District's cost of production. The District is producing approximately 4000 pages of documents per month consistent with the Court's order. The FOP filed a fee petition requesting \$120,763.26 in fees. The Court granted the petition but only awarded the FOP a total of \$53,544.14 in fees, representing an approximately fifty percent reduction of the FOP's original request.

- c. Disposition of Case: Cross motions for summary judgment denied. Court then conducted in camera review and upheld the agency's asserted exemptions. The parties' dispute on whether the FOP had a right to the search terms of the agency's second search, given the District's argument that the case was moot is now resolved. The FOP filed a petition for attorney fees which remains pending before the court.
