MESSAGE FROM THE MAYOR AND DC ONE FUND CHAIRMAN

Together we can
reach a fresh goal of
\$1 million
for another year.

This fall, the District Government will kick off our 64th Annual DC One Fund campaign.

This fall, the District Government will kick off our 64th Annual DC One Fund Campaign. The DC One Fund provides employees with an easy way to donate to local charities through a payroll deduction, promoting DC Values and supporting pathways to the middle class for all. Last year, thanks to your generosity, more than \$1.1 million in pledges was committed. DC One Fund contributions have grown increasingly over the years, and many of the contributions are from Fair Share Givers who pledged between 1% and 3% of their annual salary. If you have not before, please consider becoming a Fair Share Giver today.

It is extremely gratifying to see just how hard our government employees work every day to ensure that Washington, DC is a great place to live, work and play. In many cases, working in tandem with the city, our non-profits do hands-on, day-to-day work to serve the many needs of our residents. They rely on the generosity of others through workplace giving drives, such as the DC One Fund, to sustain their operations. Thus, we are proud to once again partner with the United Black Fund and the United Way of the National Capital Area in this 64th campaign. Together, we are confident that we will reach our goal of \$1 million for another successful year.

When you pledge a portion of your paycheck to the DC One Fund, it means one less missed meal, one more night's sleep off the street, tuition coverage for a summer camp or after school program, or one of many other services and supports. As you consider the organizations you hold close to your heart, think of the impact that the generosity of government employees like you can collectively have on those in need.

To make a pledge now, please visit the DC One Fund website at onefund.dc.gov. On behalf of the participating non-profits and community recipients, we thank you for your spirit of giving and engagement—we hope to see you at the kickoff and/or agency fairs throughout the city. Thank you for making us #DCProud!

Sincerely,

Mayor Bowser

FREQUENTLY ASKED QUESTIONS

Why should I donate through DC One Fund?

The DC One Fund is a convenient tool for you to make a donation to the charitable organization of your choice through payroll deductions. If you itemize deductions on your taxes, this is a simple way to track your donations. Also, please remember that every donation of any dollar amount makes an impact in our community.

When does the One Fund campaign end?

The DC One Fund Campaign will close on December 14, 2018.

How do I find my agency's coordinator?

Go to onefund.dc.gov and click on "DC One Fund Organizational Chart with Agency Coordinators (PDF)." The second option is to send an email to dconefund@dc.gov with your agency's name and we will respond to you with the name, email, and phone number of your agency's coordinator.

My charitable organization is not a member of United Way or United Black Fund, how do I get my charitable organization on the list of DC One Fund charities?

If your organization resides in the District of Columbia, you can participate in future campaigns by submitting an application for independent organizations at onefund.dc.gov. Your organization must reside in the District of Columbia to participate. You may also contact United Way of the National Capital Area or the United Black Fund to discuss additional membership options.

Can I do a one-time donation?

Yes, you can. Go to onefund.dc.gov and click the "pledge now" button, log in, and then you may donate using the one-time payroll deduction option or the credit card option.

Can I give \$25 or less to my favorite charity?

United Way of the National Capital Area, which is the lead administrator of the DC One Fund drive, will not send donations of \$25 or less to an individual charitable organization. If an employee wants to designate funds to his or her nonprofit of choice, the total annual contribution must be at least \$26. Donations of \$25 or less will be treated as undesignated contributions.

Can I change the amount of money allocated or the charitable organization to which my donations are allocated?

Yes. You will need to email the Office of the Secretary at dconefund@dc.gov or call (202) 727-6306.

If my username and password for onefund.dc.gov is not working, how do I fix it?

Please contact your Agency Coordinator OR email dconefund@dc.gov OR call the United Way NCA Helpdesk at (202) 808-0513. This information is located directly above the login username and password section on the onefund.dc.gov website.

To her right, a man in a dark blue suit and yellow tie is standing and looking towards her. In the background, a large group of people are gathered in a well-lit room with large windows and doors. Some people are standing and talking, while others are seated. A television screen in the upper left corner shows a news broadcast. The overall atmosphere is positive and celebratory.

MAKING OUR COMMUNITY BETTER!

YESTERDAY

From its very beginning in 1969, the United Black Fund, Inc. worked to help people help themselves. Organized by everyday people and led by two extraordinary community leaders, Dr. Calvin and Wilhelmina Rolark, UBF pioneered community based efforts to improve the lives of Blacks and impoverished people throughout the area.

TODAY

UBF showcases family focused initiatives that provide parents with tools for raising children; that encourage neighborhood education and recreation activity to guide and direct youth; that serve critical needs of special populations; and that promote community based problem solving.

JOIN US

In continuing the work required for our youth to grow into their full design, for our families to gather the resources required for nurturing and living, for our community to end violence and promote respect and cooperation.

WE WANT TO KNOW

ARE YOU CONCERNED ABOUT ISSUES IN OUR COMMUNITY?

Support the UBF Ending the Violence Fund.

We work citywide

To get rid of weapons of destruction, and change the thinking of people who use them;

We work with domestic violence activists

To create safe havens and to bring services into troubled homes and troubled relationships;

We work with the leaders of the returning citizens' movement

To help those who paid their debts to society find their place as productive and positive citizens.

We support the Martin Luther King, Jr. PEACEWALK.

Support the UBF Helping Youth Afterschool Fund.

Our kids only spend 20% of their growing up time in schools. 80% of their growing up takes place in their neighborhoods and homes. That's where we **MUST DO A BETTER JOB. AS PROMISED, UBF LAUNCHED ITS DOUBLE DUTCH LEAGUE** in August 2017 for kids 8 to 15 years old, with a goal of 5 Teams in 5 Public Housing Communities by 2018.

We help agencies working in communities where poverty is intense, and in neighborhoods where our kids too often grow without responsible adult guidance and adult sponsored activities.

Support the UBF I Love Life Campaign.

Youth express positive views of LIFE through Poster or Essay. Winners receive Cash Awards and all receive Certificates.

Help reduce the level of trauma and apprehension in youth who experience stress in their everyday life when community and family problems spill into our children's lives and, too often, dominate their minds and thoughts.

Support the UBF Black History Swim Meet.

Founded by Dr. Calvin Rolark and Dr. Bill Rumsey in hopes of helping youth and parents nourish the Spirit of Fair Play, Self Confidence, the Willingness to Try, and the Will to Succeed. Today UBF and DCPR sponsor the Nation's greatest Minority Swim Meet with more than 900 swimmers from across the country.

Support UBF and it's 54 Community Based Agencies.

A Community of People Making Life Better.

WHEN YOU CONTRIBUTE DIRECTLY TO UNITED WAY, YOU INVEST IN SOLUTIONS TO LOCAL PROBLEMS.

What We Stand For

United Way of the National Capital Area fights for the health, education and financial stability of every person in every community.

We win by Living United. By forging unlikely partnerships. By finding new solutions to old problems. By mobilizing the best resources. By inspiring individuals to join the fight against a common foe: each community's daunting social crisis.

What We Accomplish

The value of your investment in United Way NCA can be seen in the lives that are improving every day. In the District, over the past year through individual contributions by United Way NCA supporters like you and our Community Impact grants, we created real results:

- **1,297,567** at-risk children, families, and seniors received healthy, nutritious meals.
- **450** families relocated to emergency safe housing.
- **1,566** middle school students received academic support, attendance monitoring, social and emotional support, leadership development, and skill-building training.
- **255** elementary school children received one-on-one tutoring.
- **450** households obtained permanent affordable housing.

How We Do What We Do

Hearing our stakeholders, advocacy groups and policymakers, we identified opportunities to make investments that will have lasting impact on people's lives. In 2015, United Way National Capital Area launched our multimillion-dollar, five-year Community Commitment. Focusing on our areas of impact: education, financial stability and health, we have created programs such as:

Education: Using a community school model, we are bringing together partners to provide wrap-around services: services that address the whole child and their total environment both inside and outside of school.

Financial Stability: We are opening Financial Empowerment Centers, which are one-stop shops to assist hard working people to achieve stable financial footing by accessing services. Services may include money management counseling, credit and housing counseling, asset-building and access to free or low cost banking products.

Health: In 2009, United Way of the National Capital Area created Fun, Fly, & Fit, a child obesity initiative that encourages children and youth to be more physically active—in and out of school. The program is so successful that it is now being replicated in Baltimore and Minneapolis.

EDUCATION

We uncovered opportunities to increase achievement for low-income middle school students. The fault line for dropping out of high school can be traced directly to middle school. We committed to impact students in our region's Title 1 schools, to fight against high rates of poverty by impacting kids who qualify for free or reduced lunch.

Our Commitment: Prepare 12,000 low-income middle school students to perform at grade level and be ready to transition to high school on track to succeed.

FINANCIAL STABILITY

We are fighting to move more families in our community towards financial stability by providing services that will help families plan, save and get ahead.

Our Commitment: Provide 100,000 residents with services that remove barriers to financial stability and affordable housing.

HEALTH

We will help families achieve their best quality of health with the goal of increasing student achievement and helping families to thrive.

Our Commitment: Facilitate well-planned, funded, and executed programs that will teach healthy patterns and practices in order to benefit more children and families.
