MESSAGE FROM MAYOR BOWSER AND DC ONE FUND CHAIRPERSON THENNIE FREEMAN

**THROUGH YOUR
SUPPORT, OUR STUDENTS
THRIVE THROUGH
EMOTIONAL SUPPORT
AND EXTRACURRICULAR
ACTIVITIES.**

This fall, the District Government will kick off our 70th Annual DC One Fund Campaign

Dear District Family:

As we kick off the 70th Annual DC One Fund, I want to thank our team at DC Government for the generosity you show each year during this campaign. Your generosity represents the boundless power and resolute spirit of Washingtonians from all eight wards.

Each year, the DC One Fund gives us all an opportunity to make an important difference in our community by supporting causes we care about. Real people—our neighbors, families, and friends—depend on the services and support that your generous charitable contributions make possible. Whether helping a child access education, ensuring families have nutritious meals, or supporting programs that uplift our most vulnerable communities, your donations create hope, spark meaningful change, and reflect what I like to call our DC values! And the best part? The DC One Fund makes it easy for each of us to play our part.

This year, I challenge each of you to think about the causes that matter most to you and to make a pledge. Through the DC One Fund, you can simply and conveniently make tax-deductible contributions through payroll deductions or a one-time donation. Giving is not about the size of the donation; it's about the thoughts behind the donation and the impact we foster when we all come together. Imagine the lives we can touch if each of us steps up, even in the smallest way. A little from many can transform into something extraordinary!

I see how hard you work, and I know that the countless ways you give of yourselves every day are creating ripples of change across our city. I am incredibly proud of what we've accomplished together, and I am even more excited about what we can achieve this year through your generosity and compassion. Let's continue to build a city where everyone has a fair shot, where no one is left behind, and where we all rise together. Visit www.onefund.dc.gov to make your pledge today and to be part of something truly special.

Thank you for your dedication, hard work, and commitment to making Washington, DC the best it can be.

With gratitude,

Muriel Bowser
Mayor
Washington, DC

Thennie Freeman
Director of DC
Department of Parks

FREQUENTLY ASKED QUESTIONS

Why should I donate through DC One Fund?

The DC One Fund is a convenient tool for you to make a donation to the charitable organization of your choice through payroll deductions. If you itemize deductions on your taxes, this is a simple way to track your donations. **Also, please remember that every donation of any dollar amount makes an impact in our community.**

When does the One Fund campaign end?

The DC One Fund Campaign will be held from Oct. 7th through Dec. 13th 2024.

My charitable organization is not a member of United Way or United Black Fund, how do I get my charitable organization on the list of DC One Fund charities?

If your organization resides in the District of Columbia, you can participate in future campaigns by submitting an application for independent organizations at onefund.dc.gov. Your organization must reside in the District of Columbia to participate. You may also contact United Way of the National Capital Area or the United Black Fund to discuss additional membership options.

Can I do a one-time donation?

Yes, you can. Go to onefund.dc.gov and click the “pledge now” button, log in, and then you may donate using the one-time payroll deduction option or the credit card option.

Can I give \$25 or less to my favorite charity?

United Way of the National Capital Area, which is the lead administrator of the DC One Fund drive, will not send donations of \$25 or less to an individual charitable organization. If an employee wants to designate funds to his or her nonprofit of choice, the total annual contribution must be at least \$26. Donations of \$25 or less will be treated as undesignated contributions.

Can I change the amount of money allocated or the charitable organization to which my donations are allocated?

Yes. You will need to email the Office of the Secretary at dconefund@dc.gov or call (202) 727-6306.

If my username and password for onefund.dc.gov are not working, how do I fix it?

Please contact your Impact Coordinator OR email dconefund@dc.gov OR call the United Way NCA Helpdesk at (202) 808-0513. This information is located directly above the login username and password section on the onefund.dc.gov website.
