WE ARE
WASHINGTON
DC GOVERNMENT OF THE
DISTRICT OF COLUMBIA
MURIEL BOWSER, MAYOR

THE DC ONE FUND DRIVE IS THE DISTRICT GOVERNMENT'S OFFICIAL CHARITABLE FUNDRAISER. DC GOVERNMENT EMPLOYEES PLEDGE THEIR SUPPORT ANNUALLY TO CHARITABLE ORGANIZATIONS IN THE WASHINGTON METROPOLITAN AREA.

**TOGETHER
WE CAN REACH
A FRESH GOAL
OF \$1.3 MILLION.**

This fall, the District Government will kick off our 65th Annual DC One Fund campaign.

Congratulations and thank you! Last year, your charitable pledges to the DC One Fund helped commit more than \$1.2 million to non-profits in our community that strive daily to improve the lives of their clients, and in many cases, your neighbors. Your generosity means that DC continues to improve, thrive, and offer a fair shot to all Washingtonians. While Washington, DC is experiencing great prosperity—this prosperity's benefits are not reaching all—and your charitable giving, along with the great work of our government agencies, is helping to bridge disparities.

On behalf of the participating non-profits and community recipients, we thank you for your engagement and compassion and the tremendous impact that the generosity of government employees like you collectively have on those in need.

To pledge now, please visit the DC One Fund website at onefund.dc.gov. Thank you for making us #DCProud!

Sincerely,

Muriel Bowser

Muriel Bowser
Mayor
Washington, DC

Delano Hunter

Delano Hunter
Director
Department of Parks
and Recreation
65th DC One Fund Chairman

Our DC One Fund partners, the United Black Fund and the United Way of the National Capital Area, perform hands-on, day-to-day operations in tandem with the city to serve the various needs of our residents. And through workplace donation drives, these organizations rely on your selflessness and goodwill to support many other services to which DC One Fund provides valuable and necessary assistance. Together, we are confident that we will have another successful year by reaching our goal of \$1.3 million in this—our 65th campaign.

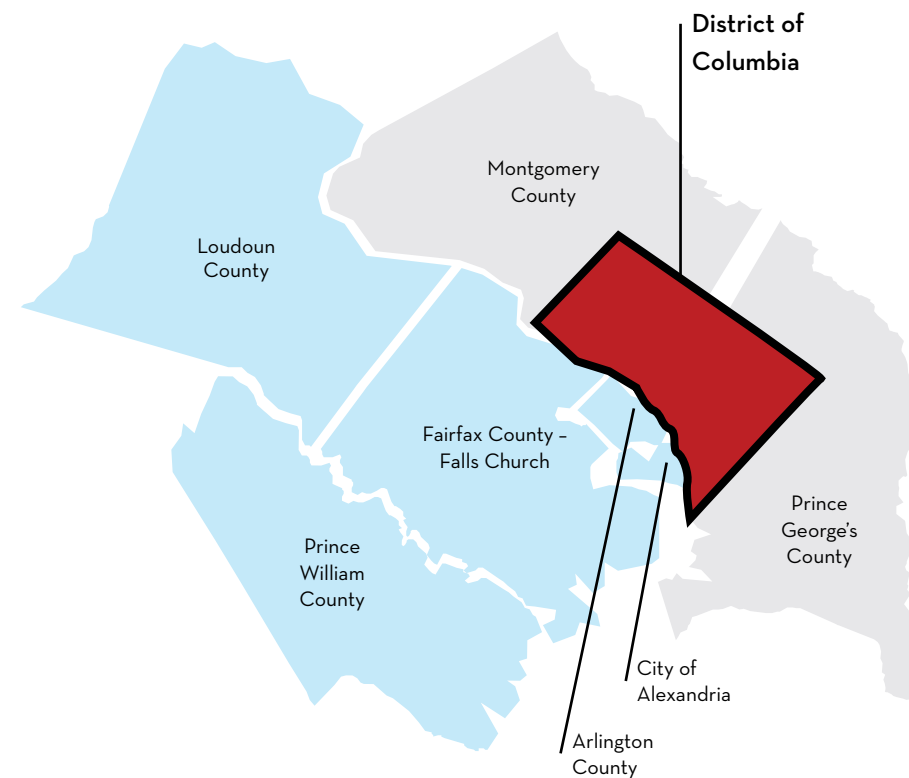

Once again, the District Government will kick off our 65th Annual DC One Fund campaign this fall to provide a simple and convenient way to donate to local charities via a payroll deduction. Fair Share givers who pledge between 1% and 3% of their annual salary make up a large segment of these donations. If you become a Fair Share giver—or a contributor at any level—your contribution can cover the costs of summer camp and after school programs for our youth, can help provide meals to our seniors in need, and can minimize the harmful effects of housing insecurity for many in our communities.

Why should I donate through DC One Fund?

The DC One Fund is a convenient tool for you to make a donation to the charitable organization of your choice through payroll deductions. If you itemize deductions on your taxes, this is a simple way to track your donations. Also, please remember that every donation of any dollar amount makes an impact in our community.

When does the One Fund campaign end?

The DC One Fund Campaign will close on December 13, 2019.

How do I find my Impact Coordinator?

Go to onefund.dc.gov and click on "DC One Fund Organizational Chart with Impact Coordinators (PDF)." The second option is to send an email to dconefund@dc.gov with your agency's name and we will respond to you with the name, email, and phone number of your agency's coordinator.

My charitable organization is not a member of United Way or United Black Fund, how do I get my charitable organization on the list of DC One Fund charities?

If your organization resides in the District of Columbia, you can participate in future campaigns by submitting an application for independent organizations at onefund.dc.gov. Your organization must reside in the District of Columbia to participate. You may also contact United Way of the National Capital Area or the United Black Fund to discuss additional membership options.

Can I do a one-time donation?

Yes, you can. Go to onefund.dc.gov and click the "pledge now" button, log in, and then you may donate using the one-time payroll deduction option or the credit card option.

Can I give \$25 or less to my favorite charity?

United Way of the National Capital Area, which is the lead administrator of the DC One Fund drive, will not send donations of \$25 or less to an individual charitable organization. If an employee wants to designate funds to his or her nonprofit of choice, the total annual contribution must be at least \$26. Donations of \$25 or less will be treated as undesignated contributions.

Can I change the amount of money allocated or the charitable organization to which my donations are allocated?

Yes. You will need to email the Office of the Secretary at dconefund@dc.gov or call (202) 727-6306.

If my username and password for onefund.dc.gov is not working, how do I fix it?

Please contact your Impact Coordinator OR email dconefund@dc.gov OR call the United Way NCA Helpdesk at (202) 808-0513. This information is located directly above the login username and password section on the onefund.dc.gov website.

THANK YOU!

MAKING OUR COMMUNITY BETTER!

YESTERDAY

From its very beginning in 1969, the United Black Fund, Inc. worked to help people help themselves. Organized by everyday people and led by two extraordinary community leaders, Dr. Calvin and Wilhelmina Rolark, UBF pioneered community based efforts to improve the lives of Blacks and impoverished people throughout the area.

TODAY

UBF showcases family focused initiatives that provide parents with tools for raising children; that encourage neighborhood education and recreation activity to guide and direct youth; that serve critical needs of special populations; and that promote community based problem solving.

JOIN US

In continuing the work required for our youth to grow into their full design, for our families to gather the resources required for nurturing and living, for our community to end violence and promote respect and cooperation.

ARE YOU CONCERNED ABOUT ISSUES IN OUR COMMUNITY?

Support the UBF Ending the Violence Fund.

We work citywide
To get rid of weapons of destruction, and change the thinking of people who use them;

We work with domestic violence activists
To create safe havens and to bring services into troubled homes and troubled relationships;

We work with the leaders of the
returning citizens' movement
To help those who paid their debts to society find their place as productive and positive citizens.

We support the Martin Luther King, Jr.
PEACEWALK.

Support the UBF Helping Youth Afterschool Fund.

Our kids only spend 20% of their growing up time in schools. 80% of their growing up takes place in their neighborhoods and homes. That's where we MUST DO A BETTER JOB. AS PROMISED, UBF LAUNCHED ITS DOUBLE DUTCH LEAGUE in August 2017 for kids 8 to 15 years old, with a goal of 5 Teams in 5 Public Housing Communities by 2018.

We help agencies working in communities where poverty is intense, and in neighborhoods where our kids too often grow without responsible adult guidance and adult sponsored activities.

Support the UBF I Love Life Campaign.

Youth express positive views of LIFE through Poster or Essay. Winners receive Cash Awards and all receive Certificates.

Help reduce the level of trauma and apprehension in youth who experience stress in their everyday life when community and family problems spill into our children's lives and, too often, dominate their minds and thoughts.

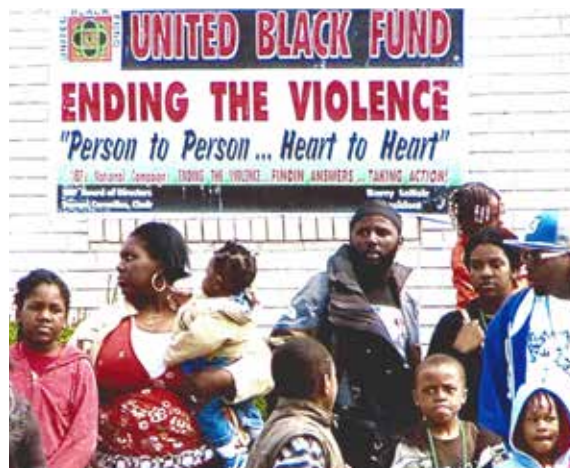

Support the UBF Black History Swim Meet.

Founded by Dr. Calvin Rolark and Dr. Bill Rumsey in hopes of helping youth and parents nourish the Spirit of Fair Play, Self Confidence, the Willingness to Try, and the Will to Succeed. Today UBF and DCPR sponsor the Nation's greatest Minority Swim Meet with more than 900 swimmers from across the country.

Support UBF and it's 54 Community Based Agencies.

A Community of People
Making Life Better.

WHEN YOU CONTRIBUTE DIRECTLY TO UNITED WAY, YOU INVEST IN SOLUTIONS TO LOCAL PROBLEMS.

What We Stand For

United Way of the National Capital Area fights for the health, education and financial stability of every person in our community. We win by Living United. By forging unlikely partnerships. By finding new solutions to old problems. By mobilizing the best resources. By inspiring individuals to join the fight against a common foe: each community's daunting social crisis.

What We Accomplish

The value of your investment in United Way NCA can be seen in the lives that are improving every day. In the District, over the past year through individual contributions by United Way NCA supporters like you, we created real results:

- **1,603** children and **3,657** adults were impacted through programs funded by United Way NCA
- **315** middle school students improved attendance during their school year
- **354** passed to the next grade level
- **310** parents/caring adults engaged with students
- **1,465** individuals created or maintained a budget
- **351** individuals reduced debt
- **700** children increased participation in nutrition education classes/activities

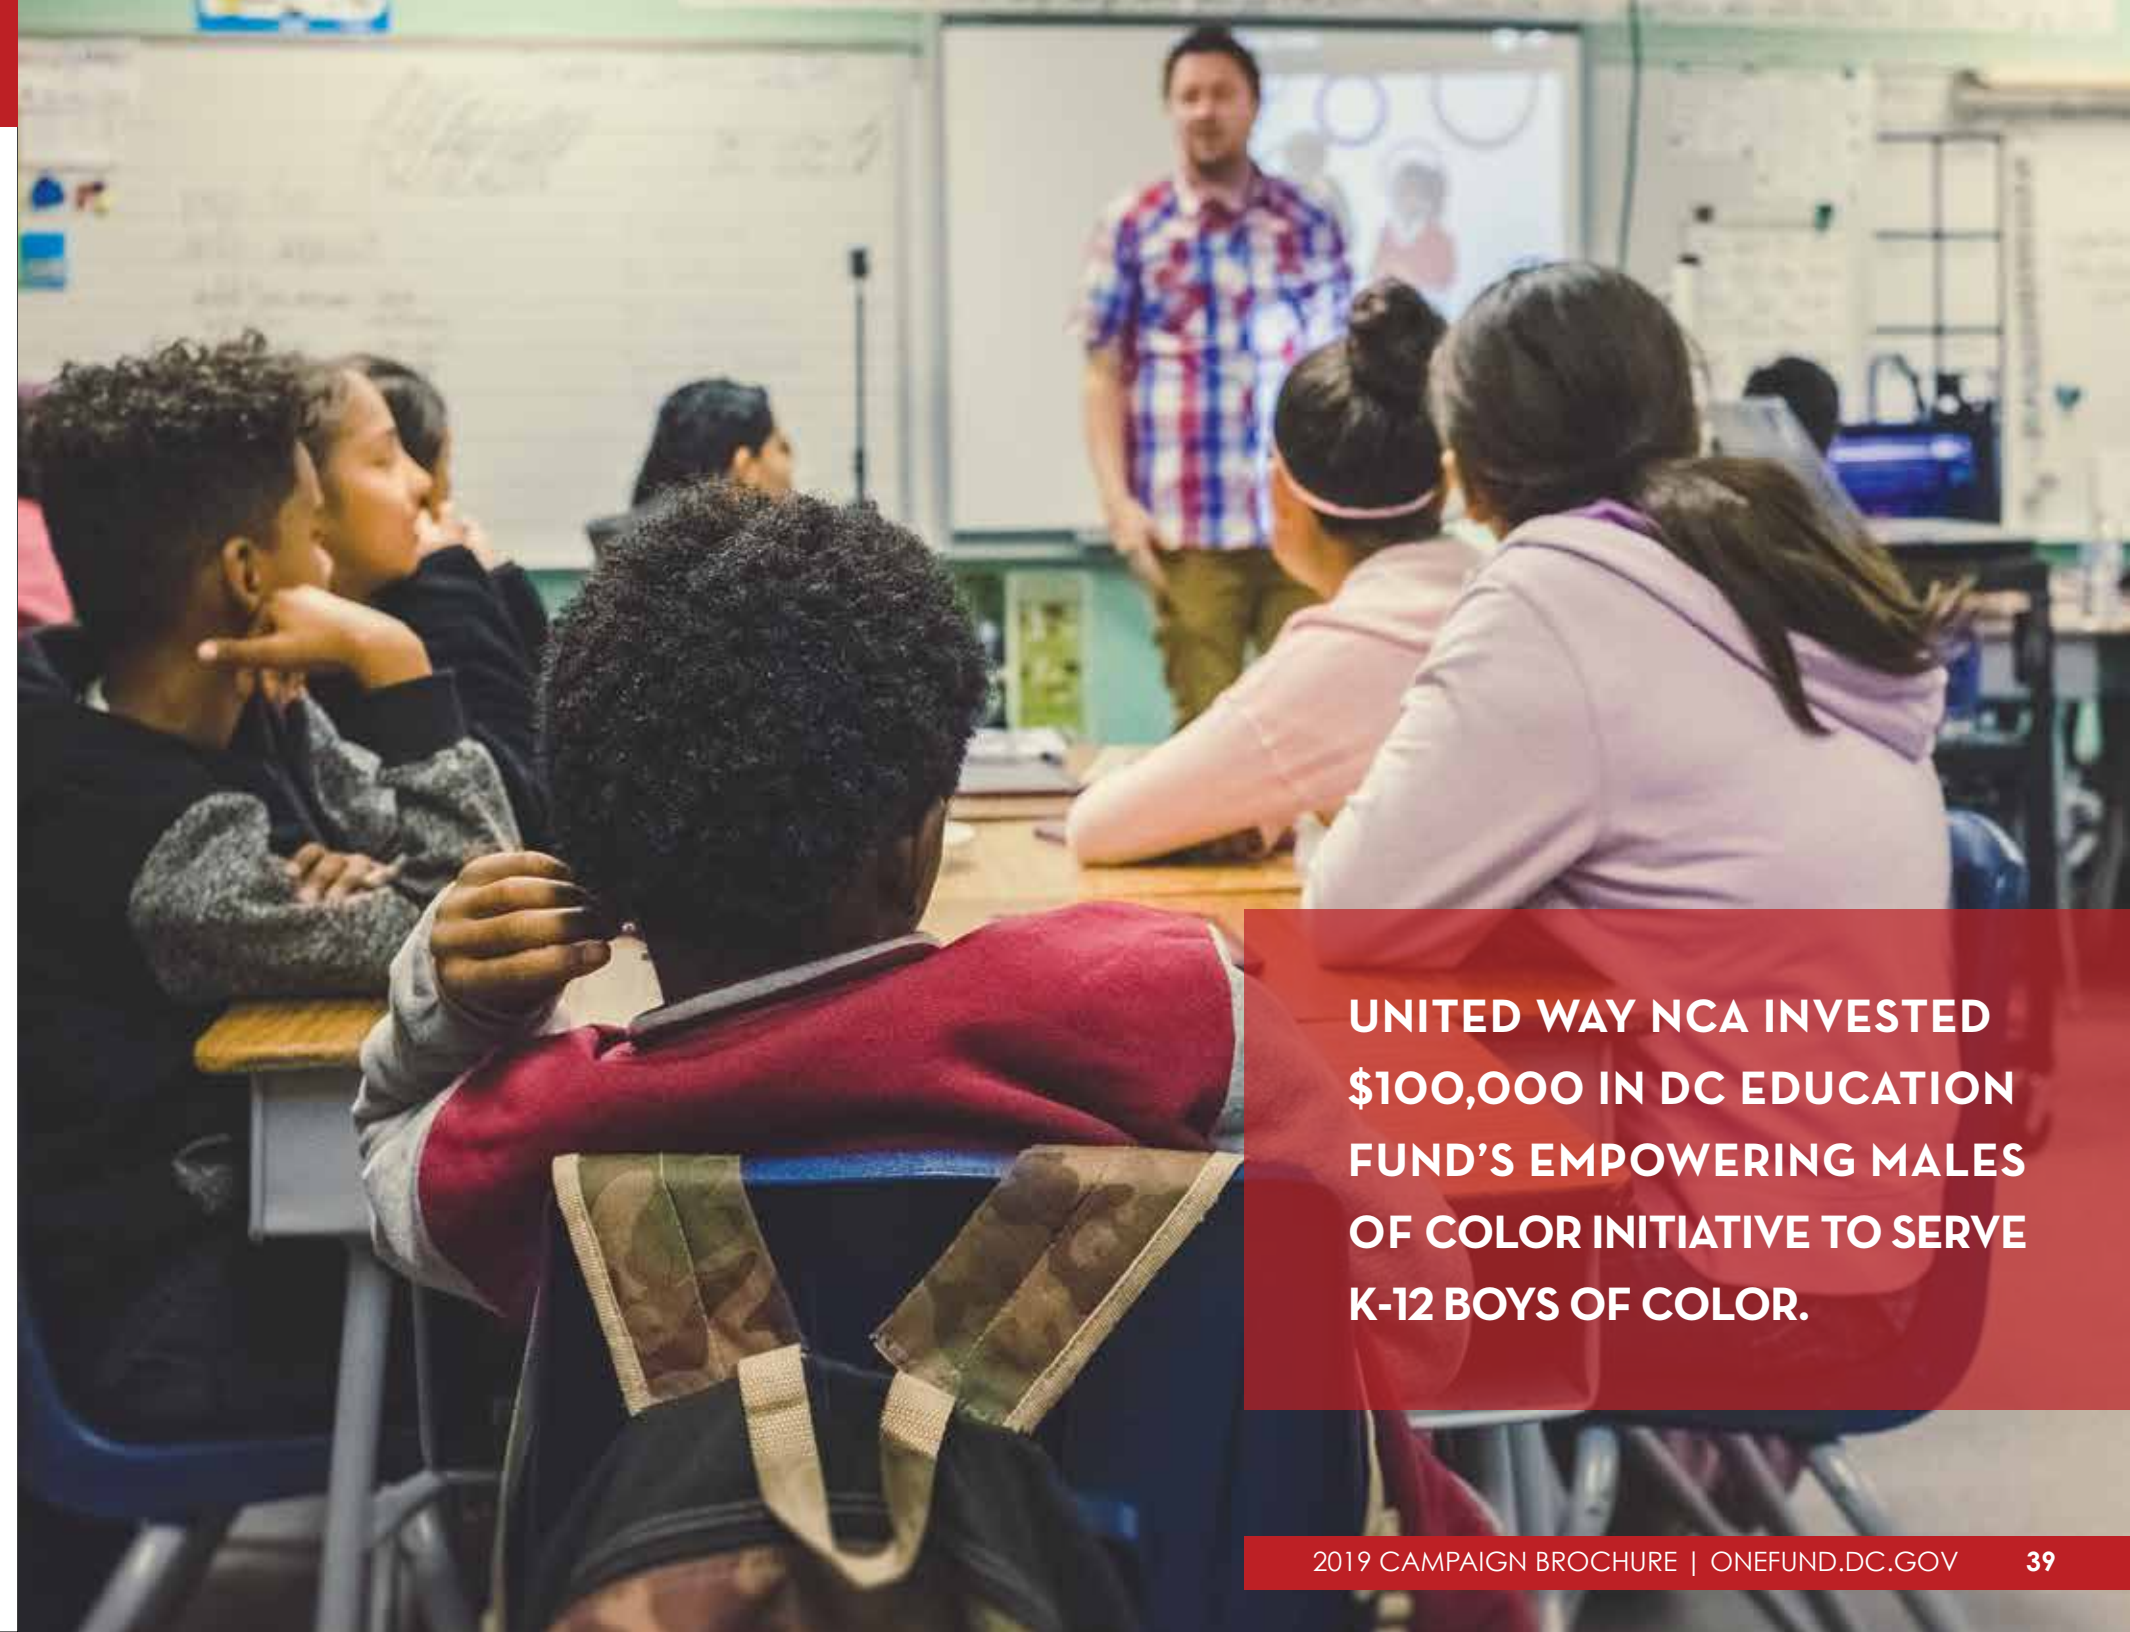

How We Do What We Do

Hearing our stakeholders, advocacy groups and policymakers, we identified opportunities to make investments that will have lasting impact on people's lives. In 2015, United Way of the National Capital Area launched our multimillion-dollar, five-year Community Commitment. Focusing on our areas of impact: health, education and financial stability, we have created programs such as:

Health: Fun, Fly, & Fit – The mission of Fun, Fly & Fit gives children a solid foundation to make healthy choices, have fun and improve self-image – in and out of school. The program is so successful that it is now being replicated in Baltimore and Minneapolis.

Education: Community Schools – Using a community school model, we bring together partners to provide wraparound services: services that address the whole child and their total environment both inside and outside of school.

Financial Stability: Financial Empowerment Centers – Offer one-stop-shops to lift up individuals and families and put them on a path toward financial stability. Services include money management counseling, credit and housing counseling, asset-building resources and access to free or low-cost banking products – at no cost.

UNITED WAY NCA INVESTED \$100,000 IN DC EDUCATION FUND'S EMPOWERING MALES OF COLOR INITIATIVE TO SERVE K-12 BOYS OF COLOR.

OUR COMMUNITY *IS* OUR COMMITMENT

At United Way NCA our commitment is building a thriving community.

HEALTH

We're making strong, strategic investments in programs that provide all adults and children access to the health services they need to not only be well but thrive.

Our Commitment: Help children and adults in our community thrive through an integrated approach to health and wellness that not only fights childhood obesity but also creates good habits for life.

EDUCATION

Our Education Commitment puts low-income students and their families front and center. Working side-by-side with our partners, we prepare students in in our region's Title 1 middle schools to transition successfully to high school and perform at grade level.

Our Commitment: Prepare 12,000 low-income middle school students to perform at grade level and be ready to transition to high school on track to succeed.

FINANCIAL STABILITY

We're investing in programs and initiatives that will help individuals and families in the national capital area achieve what, for many, may have seemed impossible. Living with enough financial resources and knowledge to build a foundation, and a future.

Our Commitment: Provide 100,000 residents with services that remove barriers to financial stability and affordable housing.
