Change of Name on Notary Commission

Please fill out this form and mail it to us or scan it and email it to us at notary@dc.gov. You must include a copy of the legal document showing your change of name. You must include proof you have notified your surety bond company of the change in name.

You will have to purchase a new seal and jurat certificate stamp and come to the ONCA office to provide us with a new impression of the seal. We will then provide you with your new Notary Certificate. You may not perform notarial acts until you have purchased your new seal and provide our office with the new impression.
