FY 2019 FOIA Appeal Summaries

Mayor's Office of Legal Counsel

2019-001 Balasubramanian – Request for MPD records pertaining to all DC and federal government vehicle traffic violations. Appeal was remanded to MPD with instructions to disclose nonexempt portions of responsive records.

2019-002 Miller – Request for correspondence between MPD or the Mayor's Office and a specified Washington Post reporter during a specified time period. Appeal was dismissed as moot, because the appeal was based on lack of response and OCTO responded to requestor subsequent to the filing of the appeal.

2019-003 Adelman – Request for records relating to burglary of Chipotle Mexican Restaurant. Appeal was remanded to MPD with instructions to disclose nonexempt portions of responsive records.

2019-004 Fahey – Request for financial records pertaining to DPW's residential trash collection program. Appeal was remanded to DPW with instructions to disclose nonexempt portions of responsive records.

2019-005 Cohen – Request for records relating to DC PAVE and EdForward DC. Appeal was remanded to DME with instructions to disclose nonexempt portions of responsive records on a rolling basis.

2019-006 Slate – Requests for records related to emails sent or received by a named District of Columbia Superior Court employee. Appeal was dismissed as moot, because the Superior Court does not fall under DC FOIA, and OCTO conducted an adequate search.

2019-007 Balasubramanian – Request for DMV records pertaining to all DC and federal government vehicle traffic violations. Appeal was dismissed; DMV conducted an adequate search.

2019-008 Mulhauser – Request for records pertaining to any communication between DCPS employees and Urban Institute employees during a specified time period. Appeal was remanded in part to DCPS with instructions to conduct an adequate search for responsive records and disclose nonexempt portions to the requestor.

2019-009 Slate – Requests for records related to emails sent or received by a named District of Columbia Superior Court employee. Appeal was dismissed as moot because the Superior Court does not fall under DC FOIA, and OCTO conducted an adequate search.

2019-010 Williams – Request for documents related to a particular job position that DOC posted and filled in 2016. Appeal was dismissed as moot because it was based on a lack of response; DOC provided documentation responsive to the request subsequent to the filing of the appeal.

2019-011 Slate – Request for specific emails from DGS. Appeal was remanded to DGS with instruction to provide responsive records on a rolling basis.

2019-012 Araya - Request for OAH to produce all final judgments not sealed, starting with “OAG,” and over a specific period of time pertaining to child support. Appeal was remanded to OAG with instructions to provide the nonexempt portions of the requested documents.

2019-013 Jablow – Request for applications and proposals DCPS received for public education data during a specific time period. Appeal was remanded to DCPS with instructions to provide requested records on a rolling basis.

2019-014 Glass – Request for certain reports from DYRS. Appeal was dismissed as moot because the appeal was based on lack of response; DYRS has since responded to requestor.

2019-015 Glass – Request for records related to a final report from DYRS based on a specified complaint. Appeal was dismissed as moot because the appeal was based on lack of response; DYRS responded to requestor subsequent to the filing of the appeal.

2019-016 Siilats – Request to DDOT for records related to operations plans and signed agreements involving dockless bike and scooter sharing programs in the District. Appeal was remanded in part to DDOT with instructions to disclose nonexempt portions of responsive records.

2019-017 Tashliski – Appeal was withdrawn.

2019-018 Hannagan – Request to OPC for complaints and investigation records relating to an identified police officer. Appeal was dismissed because the requested records was exempt under the personal privacy and investigatory proceedings exemptions.

2019-019 Rueda – Request for records relating to four permits. Appeal was dismissed as moot because the appeal was based on lack of timely response; DCRA responded to requestor subsequent to the filing of the appeal.

2019-020 Dave – Appeal was withdrawn.

2019-021 Jablow – Request for records related to data requests. Appeal was dismissed as moot because it was based on a lack of response; OSSE responded to the requestor subsequent to the filing of the appeal.

2018-022 Jablow – Request for records related to a contract award. Appeal was dismissed because OCP conducted an adequate search.

2019-023 Magnier – Request to MPD for records relating to a named individual. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-024 Jablow – Request for applications and proposals DCPS received for public education data during a specific time period. Appeal was remanded to DCPS with instruction to continue production of documents on a rolling basis.

2019-025 Broccoli – Request to DMV for flat file of new parking citations issued daily including 18 specified categories of information or records. Appeal was dismissed because DC FOIA does not require agencies to create new records or fulfill prospective requests.

2019-026 Kane – Request for records related to 911 calls made by requestor’s client. Appeal was dismissed as moot, because the appeal was based on OUC’s initial denial; OUC responded to the requestor subsequent to the filing of the appeal.

2019-027 Abruzzese – Request for records from DOES. Appeal was dismissed as moot, because the appeal was based on a lack of explanation for DOES’ denial; DOES responded to the request subsequent to the filing of the appeal.

2019-028 Jackson – Request for records of any HIPAA breaches reported to DBH by provider Family Preservation Services of D.C. for a specific period of time. Appeal was dismissed; DBH conducted an adequate search.

2019-029 Kinney – Requests to DCPL for records in connection with DCPL’s selection of an applicant for a program analyst position for which requestor applied. Appeal was dismissed because the requested records fell under the deliberative process exemption.

2019-030 Matzelevich – Request for various records. Appeal was dismissed as moot, because it was based on a lack of response; DOEE provided requestor with a response subsequent to the filing of the appeal.

2019-031 Montgomery – Request for records relating to all documents between DOH and a named individual, relating to that individual’s appointments. DOH’s decision was remanded in part to DOH with instructions to disclose nonexempt portions of personnel records.

2019-032 Montgomery – Request for records relating to the names of DC Board of Veterinary Medicine members and examiners. Appeal was remanded to DOH, because it was in the process of responding.

2019-033 Matzelevich – Request for records related to the Hearst Park & Pool Project. Appeal was dismissed as moot, because it was based on a failure to respond, DOEE responded to the request subsequent to the filing of the appeal.

2019-034 Khatri – Requests to UDC for records related to personnel actions for specific periods of time. Appeal was dismissed as moot, because it was based on a lack of response; UDC provided requestor with a response subsequent to the filing of the appeal.

2019-035 Lyles - Request for records related to a traffic ticket issued at a specific date, including subsequent enforcement and discussion regarding the ticket. DMV’s decision was remanded in part to DMV with instruction to disclose records where requestor is individually identified and redact exempt portions.

2019-036 Giambrone - Request to DPMSJ for records related to DC Jail assessment completed by third-party consultant. Appeal was dismissed because requested records fell under the deliberative process exemption.

2019-037 Scanlan – Request to MPD for body worn camera footage relating to a motor vehicle accident. Appeal was dismissed; filed prematurely.

2019-038 Montgomery – Request for records relating to public complaints of veterinary hospitals and veterinarians for a specific period of time. Appeal was dismissed because DCRA conducted an adequate search for requested documents.

2019-039 Boyle - Request for arrest records of a client. Appeal was dismissed as moot, because it was based on MPD's withholding of records; MPD subsequently agreed to produce the requested records with appropriate redactions.

2019-040 Cunningham – Request for records of a barring notice from a property and body worn camera footage of an officer taken on a specific date. Appeal was remanded in part to MPD with instructions to encourage vendor's swift production of footage for requestor.

2019-041 Cunningham - Request for records of a barring notice from a property and body worn camera footage of an officer taken on a specific date. Appeal was remanded in part to MPD with instructions to encourage vendor's swift production of footage for requestor.

2019-042 Donaldson – Request for plans associated with a specific property in the District. Appeal was dismissed as moot, because it was based on a lack of response; DCRA provided requestor with a response subsequent to the filing of the appeal.

2019-043 Montgomery – Appeal was withdrawn.

2019-044 Guttman – Request for records relating to the Office of Tax and Revenue's policy on its employees pursuing outside employment and instances of employees conducting outside business. Appeal was remanded to OCFO with instructions to complete search for documents and appropriately redact exempt information before production.

2019-045 Williams – Request to OUC for a copy of a 911 call regarding a car accident. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-046 Montgomery – Request for records relating to complaints and investigatory records of a named veterinarian. Appeal was remanded to DOH with instructions to produce documentation already reviewed and redacted, as well as any subsequently identified responsive documentation, all on a rolling basis.

2019-047 O'Regan – Request to MPD for records pertaining to the investigation of misconduct of a police officer. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-048 Moran – Request for records relating to settlement agreements and attorneys’ fees requests. Matter was remanded to DCPS with instructions to provide fee estimates and produce documents on a rolling basis.

2019-049 Leighton – Request to OUC for records relating to a 911 call made on a specific date regarding a car accident where client was struck by a school bus. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-050 Mao – Request for records regarding records related to the DC Gang database and fee waiver for processing request. Matter was remanded to MPD with instructions to provide a good faith fee estimate for production.

2019-051 Townsend - Request for records related to any training programs client may have completed while an employee of DOC. Appeal was dismissed because DOC conducted an adequate search.

2019-052 Lyles – Request to MPD for records related to a traffic ticket issued at a specific date, including subsequent enforcement and discussion. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-053 Phillips – Request for records related to Adverse Action Hearings. Appeal was dismissed as moot, because the appeal was based on a lack of response; MPD agreed to provide documents on a rolling basis.

2019-054 Kennedy – Request for records related to client. Matter was remanded to MPD with instructions to complete production of videos responsive to request.

2019-055 Flippin – Request to DCHR for all records related to the employment of [a named person] in the General Counsel’s Office of the DC Board of Elections and DC Office of Campaign Finance. Appeal was dismissed because the agency conducted an adequate search.

2019-056 Jablow – Request to DME for records related to applications and proposals for public education data. Matter was remanded to DME with instructions to complete production of records responsive to request on a rolling basis.

2019-057 Kutner – Request to MPD for records relating to a named individual. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-058 Philipsen – Request for records relating to a letter sent from the District to fleet operators regarding vehicles blocking bike lanes. Appeal was remanded to EOM, because it was in the process of responding.

2019-059 Bowser – Request for records relating to a request for proposals for an affordable housing project. Appeal was remanded in part to DHCD with instructions to review withheld documents and disclose nonexempt portions on a rolling basis.

2019-060 Jablow - Request for records related to contracts between DME and ten named individuals. Appeal was dismissed as moot, because the appeal was based on a lack of response; DME has since responded.

2019-061 Cowley – Request to MPD for records related to a named individual. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-062 Perloff – Request for body-worn camera footage concerning requestor. Appeal was dismissed as moot, because it was based on an initial denial to provide documentation; MPD has since agreed to provide the requested documentation.

2019-063 Higgins – Request to MPD for records pertaining to the investigation of a traffic accident. Appeal was dismissed because the requested records fell under the investigatory proceedings exemption.

2019-064 Robinson – Request for records submitted in support of an allegation violating a protective order. Appeal was dismissed as moot, because the appeal was based on MPD withholding documents initially; MPD has since responded that it does not possess the requested records.

2019-065 Thompson – Request for records related to all grand jury subpoenas received by OCA regarding two specified individuals during a specific period of time. Appeal was remanded to OCA with instructions to produce all non-exempt responsive documentation.

2019-066 Fleischer – Request to MPD for names of arrested individuals associated with a series of public incident reports. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-067 Ulbig – Request for records relating to a specific contractor and affiliated subcontractors for their work on a specific project. Appeal was remanded to DCHA with instructions to conduct an adequate search and complete production of records.

2019-068 Ulbig – Request for records relating to a specific contractor and affiliated subcontractors for their work on a specific project. Appeal was dismissed because DOES conducted an adequate search.

2019-069 Ulbig – Request for records relating to a specific contractor and affiliated subcontractors for their work on a specific project. Appeal was dismissed because DGS conducted an adequate search.

2019-070 Ulbig – Request for records relating to a specific contractor and affiliated subcontractors for their work on a specific project. Appeal was dismissed because DMPED conducted an adequate search.

2019-071 Thompson – Request for emails and letters between Spectrum Gaming Group and employees of OCFO. OCFO's decision was remanded in part to OCFO with instructions to review withheld documents and disclose nonexempt portions on a rolling basis.

2019-072 Schreyer – Request to OUC for call logs for domestic violence and domestic assault during a specific time period. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-073 Mendoza – Request to MPD for records related to the investigation of a homicide that occurred during a specific time period. Appeal was dismissed because the requested records fell under the investigatory proceedings exemption.

2019-074 Wolf – Request for emails and communications relating to a specific report. Appeal was dismissed as moot, because the appeal was based on a lack of response from DME and DME has since responded.

2019-075 Wolf – Request for emails and communications relating to a specific report. Appeal was dismissed as moot, because the appeal was based on a lack of response; DME has since responded.

2019-076 Johnson – Request for records relating to a building. Appeal was dismissed as moot, because the appeal was based on a lack of response; DGS has since provided requested records.

2019-077 Wolf – Request for personnel data reports from a specific period of time. Matter was remanded to DCPS with instructions to make a determination regarding protected material and release non-exempt records.

2019-078 Khatri – Request for personnel data reports from a specific period of time. Matter was remanded to UDC with instructions to conduct an adequate search for responsive documents.

2019-079 Keenan – Request for responsive records. Appeal was dismissed as moot, because the appeal was based on a lack of response; MPD has since provided requester with a response.

2019-080 Herring – Request to MPD for all body-worn camera footage related to a specific incident. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-081 Williams – Request for documents related to a particular job position at DOC. Matter was remanded to DOC with instructions to conduct an adequate search for responsive documents.

2019-082 Otis – Request for body-worn camera footage. Matter was remanded to MPD with instructions to conduct an adequate search for responsive non-exempt records.

2019-083 Smith – Request to OUC for 911 telephone recording. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-084 Zangari – Request to OPC on behalf of client for records of complaints, investigation, and discipline related to an individual law enforcement officer. Appeal was dismissed because the requested records fell under the investigatory proceedings exemption.

2019-085 Cauffiel – Requests to MPD for body-worn camera footage related to a specific incident. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-086 Reeder – Request for records relating to a vehicle accident. Matter was remanded to MPD with instructions to produce responsive materials already reviewed and continue producing records on a rolling basis.

2019-087 Reeder – Request for records relating to a vehicle accident. Matter was remanded to MPD with instructions to produce responsive materials already reviewed and continue producing records on a rolling basis.

2019-088 Smith – Request for a paramedic report and emergency medical system care report related to an ambulance pick up. Appeal was dismissed because the requested records could be withheld under the personal privacy and prohibitive predicate statute exemptions.

2019-089 Gural – Request to DHCD for rental housing records for a series of addresses. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-090 Thompson – Request to OCFO for records related to Spectrum Gaming Group’s response to an RFQ. Appeal was dismissed because the requested records fell under the competitive harm exemption.

2019-091 Williams – Request for records related to a workers’ compensation claim. Appeal was dismissed because DISB conducted an adequate search.

2019-092 Jacobs – Request for records related to the content of certain websites. Appeal was remanded in part to HBX with instructions to review withheld documents and disclose non-exempt portions.

2019-093 Saavedra – Request for testimony regarding a traffic incident. Appeal was dismissed because DDOT is not required to answer questions under DC FOIA and did not possess the requested records.

2019-094 Saavedra – Request for traffic pattern to substantiate a claim related to a traffic accident. Appeal was dismissed because DDOT is not required to answer questions or create records under DC FOIA.

2019-095 Brown – Request for records relating to a written determination made by DCHA. Appeal was dismissed as moot, because the appeal was based on a lack of response from DCHA; DCHA has since provided requester with a response.

2019-096 Ryan – Request for records relating to all bid results for construction contracts awarded during a specific period of time. Appeal was dismissed as moot, because the appeal was based on a lack of response; OCP has since provided requester with a response.

2019-097 Whaley – Request for records relating to specific DOEE solicitation. Appeal was dismissed as moot, because the appeal was based on a lack of response; OCP has since provided requester with a response.

2019-098 Sabrick – Request to DOH for records relating to the Prescription Drug Monitoring Program. Appeal was dismissed because the requested records fell under exemption permitting withholding from production where a predicate statute prohibited the release of the responsive records.

2019-099 Lewis – Request for records related to a specific police interaction. Appeal was dismissed as moot, because the appeal was based on a lack of response from MPD; MPD has since provided requester with a response.

2019-100 Jablow – Request for records related to two public schools. Matter was remanded to DCPS to produce responsive materials already reviewed and continue producing records on a rolling basis.

2019-101 Jablow – Request to DME for communications between DME staff and persons affiliated with a public middle school. Matter was remanded to DME with instructions to complete search, review responsive materials, and provide all non-exempt records or portions thereof.

2019-102 Horrell – Appeal was withdrawn.

2019-103 Atwell – Request for records held by OSSE related to a daycare. Appeal was dismissed because the requested records fell under exemption permitting withholding from production under DC FOIA where a predicate statute prohibited the release of the responsive records.

2019-104 Austermuhle – Request for scoring criteria DHCD uses to evaluate development proposals submitted for HPTF funding and all related records. Appeal was dismissed because the requested records fell under the deliberative process exemption.

2019-105 Phillips – Request for records related to an Adverse Action Hearing of a named officer. MPD's response was remanded in part with instructions to conduct an adequate search and release non-exempt portions of responsive records.

2019-106 Campbell – Request for UCC records. Appeal was dismissed as moot, because the appeal was based on a lack of response from OCFO, who has since provided requester with a response.

2019-107 Sayles – Request for DCRA to conduct legal research. Appeal was dismissed as moot, because DCRA is not required by DC FOIA to conduct legal research in order to answer a requestor's questions.

2019-108 Jablow – Request for applications and proposals DCPS received for public education data during a specific time period. Matter was remanded to DCPS with instructions to promptly provide responsive records.

2019-109 Reeder – Request for records relating to a traffic accident. Matter was remanded to MPD with instructions to promptly provide responsive records.

2019-110 Reeder – Request for records relating to a traffic accident. Matter was remanded to MPD with instructions to promptly provide responsive records.

2019-111 Mulhauser – Request for records related to MPD’s body-worn camera (BWC) program. Matter was remanded to MPD with instructions to complete search promptly and provide responsive records.

2019-112 Miller – Request to MPD for records related to a series of incident reports. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-113 Mercedes – Request for records relating to a vehicle accident. Appeal was dismissed as moot, because the appeal was based on a lack of response from MPD, who has since provided requester with a response.

2019-114 Montgomery – Request to DOH for employment records related to two named veterinarians. Appeal was dismissed because DOH provided a responsive document that it inadvertently failed to disclose prior, and the other responsive documents fell under the personal privacy exemption.

2019-115 Montgomery – Request to DOH for employment records related to two named veterinarians. Appeal was dismissed because DOH provided a responsive document that it inadvertently failed to disclose prior, and the other responsive documents fell under the personal privacy exemption.

2019-116 Wolf – Appeal withdrawn.

2019-117 Wolf – Appeal withdrawn.

2019-118 Koepke – Request to DFS for records relating to mobile device forensic technologies (MDFTs). DFS’s decision was remanded in part to DFS with instructions to review withheld documents and disclose non-exempt portions to requestor.

2019-119 DC Safe Healthy Playing Fields – Request for records related to Oyster Adams and Janney Elementary School. Matter was remanded to DGS with instructions to complete review of responsive documents and promptly provide them to requestor.

2019-120 Cuffie – Request for records relating to the Frank Reeves Center. Appeal was dismissed because DGS did not possess the requested records and it is not required to create new records under DC FOIA.

2019-121 Russell – Request for records prepared by law enforcement officers related to an alleged sexual assault. Appeal was dismissed because the requested records fell under the investigatory proceedings exemption.

2019-122 Balasubramanian – Request for records related to bicycle shifts completed by DPW workers over a specific period of time. Appeal was dismissed because DPW is not required to answer questions or create records under DC FOIA.

2019-123 Christian – Appeal withdrawn.

2019-124 LaSala – Request for all records relating to a specific notice of rule-making. Appeal was dismissed as moot, because the appeal was based on a lack of explanation by DOH for withholding some requested documents. DOH has since provided requester with a response.

2019-125 Cohen – Request for communications between DME and three named individuals. Matter was remanded to DME with instruction to complete review of responsive documents and promptly provide them to requestor.

2019-126 Cohen – Request for communications between DME and three named individuals. Matter was remanded to DME with instructions to complete review of responsive documents and promptly provide them to requestor.

2019-127 Kennedy – Request for a case file. Appeal was dismissed because the requested records fell under the investigatory proceedings exemption.

2019-128 Phillips – Request for records related to Adverse Action Hearings. Matter was remanded to MPD with instructions to continue promptly disclosing non-exempt responsive records.

2019-129 Matzelevich – Request for records related to the storm water management plan. Appeal was dismissed as moot, because the appeal was based on a failure to provide certain documents from DOEE, who has since provided requestor with responsive records.

2019-130 Yolles – Request for records related to a 911 call. Appeal was dismissed as moot, because the appeal was based on a failure to provide certain documents from OUC, who has since agreed to provide responsive records to requestor.

2019-131 Mulhauser – Request for records related to the District’s bid for Amazon’s second headquarters. Appeal was remanded to MPD with instructions to promptly disclose non-exempt responsive records on a rolling basis and identify portions of request for which it does not maintain responsive records.

2019-132 Gift – Request for records related to two Professional Fighters League mixed martial arts (“MMA”) events. Matter was remanded to DCRA with instructions to promptly disclose non-exempt responsive records consistent with decision.

2019-133 Leith – Request for records related to Special Police Officers and an individual Special Police Officer in particular. Appeal was dismissed because the agency conducted an adequate search and determined that it did not possess the requested records.

2019-134 Flippin – Request for records related to the DC Inclusive Innovation Fund. Appeal was dismissed; the agency conducted an adequate search and determined that it was not in possession of any responsive records.

2019-135 Flippin – Request for employment-related records of Superior Court Judge Anthony Epstein. Appeal was dismissed because the agency conducted a search and determined that it does not possess any responsive records.

2019-136 Robinson – Request to MPD for criminal investigation file of an individual who is not the requestor. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-137 Mulhauser – Request for records related to an OCTO response to an opinion from the Office of Open Government (OOG). Appeal was remanded to OCTO to promptly review the withheld documents, disclose non-exempt portions, and conduct an adequate search for responsive documents consistent with the decision.

2019-138 Smith – Request for records relating to a complaint against a nursing license. Appeal was dismissed because DOH is not required to answer questions or create records under DC FOIA.

2019-139 Miller – Request for records for email between employees of DOH and a specified email address. Appeal was dismissed as moot, because the appeal was based on a failure to respond by OUC; the agency responded to the requestor subsequent to the filing of the appeal.

2019-140 Sullivan – Request for a list of all Excepted Service employees at the FEMS and records that relate to these employee's compliance with the Excepted Service domicile requirement. Appeal was dismissed because FEMS is not required to answer questions or create records under DC FOIA.

2019-141 Balasubramanian – Appeal was docketed in error.

2019-142 Weinstein – Request for “body cam footage and photos” related to a traffic accident. Appeal was dismissed because the requested records fell under the investigatory proceedings exemption.

2019-143 Baker – Request for records related to the investigation of an accident. Appeal was dismissed because the requested records fell under the investigatory proceedings exemption.

2019-144 McFarland – Request for surveillance footage for a particular building on three separate dates. Appeal was dismissed because the agency conducted an adequate search.

2019-145 McFarland – Request for surveillance footage for a particular building on three separate dates. Appeal was dismissed because the agency conducted an adequate search.

2019-146 Gathright – Request for New Communities Initiative Housing and Wellness surveys. Matter was remanded to DMPED with instructions to promptly disclose non-exempt responsive records with appropriate redaction consistent with decision.

2019-147 Mitchell – Request for post-it sticker located in a specific location at DC jail. Appeal was dismissed because DOC conducted an adequate search.

2019-148 Jablow – Request to DME for communications between DME staff and persons affiliated with a public middle school. Matter was remanded to DME with instructions to promptly disclose non-exempt responsive records on a rolling basis consistent with decision.

2019-149 Feld – Request for records related to a 911 call. Appeal was dismissed as moot, because the appeal was based on prior withholding of certain documents by OUC, who has since provided requestor with responsive records.

2019-150 Douglas – Request for records related to training of MPD officers in Israel. Matter was remanded to MPD with instructions to promptly complete review of responsive documents and provide them to requestor.

2019-151 Kordestani – Request for records relating to requestor’s son. Appeal was dismissed as moot, because it was based on prior withholding of video footage by MPD, who has since provided requestor with responsive records.

2019-152 Echeverry – Requests for records related to an accident. Matter was remanded to MPD with instructions to promptly process request and provide responsive documents to requestor.

2019-153 Austermuhle – Request for DCPS to produce records related to a management alert. Appeal was dismissed as moot, because the appeal was based on DCPS’s failure to respond; DCPS has since provided the responsive records.

2019-154 Pardoe – Request for records related to search warrants from between 1977 and 1980 in relation to the “Freeway Phantom murder cases.” Appeal was dismissed because the requested records fell under the investigatory proceeding exemption.

2019-155 Austermuhle – Request for records related to communications made by the Mayor in the month of April. Appeal was dismissed as moot, because the appeal was based on EOM’s failure to respond. EOM has since provided the responsive records.

2019-156 Spaulding – Request for records relating to tax payments for a specified address. Matter was remanded to OCFO with instructions to promptly provide non-exempt portions of the withheld record to requestor.

2019-157 Spaulding – Request for records relating to tax payments for a specified address. Matter was remanded to OCFO with instructions to promptly provide non-exempt portions of the withheld record to requestor.

2019-158 DC Safe Healthy Playing Fields – Request for records related to synthetic fields. Appeal was dismissed as moot, because the appeal was based on DCPS’s failure to respond. DCPS has since provided the responsive records.

2019-159 Marshall – Request for records related to visits made by MPD, FEMS, or other first response teams to households of three named homicide victims. Matter was remanded to OUC with instructions to communicate with requestor in clarifying request and responding according to the nature of any responsive documents.

2019-160 B. – Request for records relating to 11 procurements associated with 10 names. Appeal was dismissed as moot, because the appeal was based on OCP's failure to respond; OCP has since provided the responsive records.

2019-161 Jennings – Request for records of personnel actions related to law enforcement officers that have interacted with the requestor. Matter was remanded to MPD with instructions to communicate with requestor in clarifying request and responding according to the nature of any responsive documents.

2019-162 Perloff – Request for records reflecting the race or ethnicity of the person stopped by police officers. Matter was remanded to MPD with instructions to promptly review and redact records it has identified as responsive and provide non-exempt portions to requestor on a rolling basis.

2019-163 Koepke – Request for records relating to mobile device forensic technologies. Matter was remanded to MPD with instructions to promptly produce non-exempt portions of responsive documents to requestor.

2019-164 Spirtos – Request for MPD to produce records related to the arrest of a named individual who is not the requestor. Appeal was dismissed because the requested records fell under the investigatory proceeding exemption.

2019-165 Briscoe – Request for transcript of a 911 call. MPD denied the request stating that the agency does not keep 911 call transcripts in its records. Appeal was dismissed because MPD does not maintain the type of record requested.

2019-166 Salva – Request for OUC to produce records regarding calls for service to MPD. OUC granted and denied the request in part because disclosure of block addresses, in this instance, would implicate a personal privacy interest. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-167 Khatri – Request for UDC to produce a copy of an investigative report that was prepared by DCHR. UDC denied the request under the deliberative process privilege. Appeal was dismissed because the requested records fell under the deliberative process exemption.

2019-168 Christian – Request for OCFO to produce all records relating to unclaimed property held by the District of Columbia's Office of Finance and Treasury Unclaimed Property Unit. OCFO denied the request asserting that raw data (ex: a database) does not fall under DC FOIA. Matter was remanded to OCFO with instructions to conduct a search consistent with decision.

2019-169 Christian – Appeal was withdrawn.

2019-170 Dillon – Request for records relating to an application for residential parking privileges. Appeal was dismissed because the requestor appears to challenge the parking permit process itself and not the adequacy of the agency’s search.

2019-171 Studer – Request for records related to a 911 call made by a third party. Appeal was dismissed as moot, because the appeal was based on OUC’s initial denial; OUC has since provided the responsive records.

2019-172 Hermann – Request for records related to requestor’s client. Matter was remanded to MPD with instructions to provide a revised response indicating whether responsive records exist and, if so, the agency’s basis for withholding the records.

2019-173 Douglas – Request for records relating to the training of MPD officers in Israel. Matter was remanded to MPD with instructions to promptly produce non-exempt portions of responsive documents to requestor on a rolling basis.

2019-174 Anderson – Request for public records relating to noise complaints made during the “Rolling Thunder event.” MPD constructively denied the request by putting it on hold when the agency did not receive any indication from the requestor of intent to pay a fee. Matter was remanded to MPD with instructions to promptly process request, and release all non-exempt portions of responsive records along with an invoice for whatever fees MPD is entitled to assess.

2019-175 Francisco – Request to FEMS for records relating to a specified incident. Appeal was dismissed as moot as correspondence between the agency and requestor indicated an understanding had been reached relating to incurred fees.

2019-176 Kath – Request for an audio copy of a 911 call reporting a bomb threat at the “DC airport.” Matter was remanded to OUC with instructions to communicate with requestor, determine necessary records to conduct a search for responsive records, and issue the requestor a response letter indicating the results of the search.

2019-177 Hart – Request to OSSE for nine categories of public records from 2015 to the present relating to “seclusions and/or restraint that occurred, or allegedly occurred” and KIPP DC’s The Learning Center.” Appeal was dismissed because the records fell under exemption permitting withholding from production under DC FOIA where a predicate statute prohibited the release of the responsive records.

2019-178 Christian – Request to the OCFO for a copy of a check. OCFO informed requestor that the agency did not possess existing records responsive to the request. Appeal was dismissed because the agency conducted a search and determined that it does not create or possess any responsive records.

2019-179 Pearson – Request to DDOT for documents relating to the hiring process for “Job ID #4478” and “Job ID #5766.” Appeal was remanded in part to DDOT with instructions to promptly review the documents it withheld and disclose nonexempt portions in accordance with the guidance in this decision.

2019-180 Matzelevich – Request for records related to a DOEE grant application and the National Park Service’s letter of support to DOEE’s grant application. Matter was remanded to DOEE to complete its search promptly and disclose any non-exempt, responsive records on a rolling basis.

2019-181 Osborn – Request to DHCD for public records relating to “open or outstanding Building Code violations” at a specified address. Appeal was dismissed because the agency conducted a search and determined that it does not maintain or possess any responsive records.

2019-182 Austermuhle – Request to DMPED for emails. Appeal was dismissed as moot, because the appeal was based on DMPED’s failure to respond; DMPED has since provided the responsive records.

2019-183 Austermuhle – Request for emails between DCPS staff and any emails with the domain “springboardkids.com.” DCPS denied the request stating that the responsive records were exempt. Matter was remanded to DCPS with instructions to promptly disclose nonexempt portions of responsive records in accordance with the guidance in this decision.

2019-184 Luria – Request to OUC for records related to incidents at requestor’s apartment complex that required assistance from MPD. Appeal was dismissed because the responsive records fell under the personal privacy exemption.

2019-185 Mulhauser – Request for public records related to software known as “GovQA.” Matter was remanded to DCPS with instructions to promptly complete its search and provide any non-exempt portions of responsive records.

2019-186 Brown – Request for records related to the “Red Light Camera at 15th and Constitution NW DC.” Appeal was dismissed as moot, because the appeal was based on MPD’s initial lack of response; MPD has since responded.

2019-187 Brown – Request for records relating to a red light camera. Matter was remanded to MPD with instructions to promptly complete its search and disclose any non-exempt portions of responsive public records.

2019-188 Winters – Request for records related to electronic surveillance of the requestor by MPD. Matter was remanded to MPD with instruction to verify the requestor’s identity and disclose any non-exempt portions of responsive records consistent with this decision.

2019-189 Kaufman – Request for MPD body-worn camera footage and photographs referenced in a police report. Matter was remanded to MPD with instruction to promptly complete its search and disclose any non-exempt portions of responsive public records.

2019-190 Martin – Request for records relating to the “Hearst Recreation Center” and a fee waiver for the production of the records. Matter was dismissed because requestor provided no evidence of DGS abusing its discretion regarding its decision to not grant a fee waiver.

2019-191 Martinez – Request for records relating to a former student. UDC denied the request stating that the responsive records could be withheld under an exemption recognized by DC

FOIA. Appeal was dismissed because the responsive records fell under exemption permitting withholding under DC FOIA where a predicate statute prohibited the release of the records.

2019-192 Peters – Request for MPD body-worn camera footage. Matter was remanded to MPD with instructions to promptly complete its production of non-exempt portions of responsive public records.

2019-193 Chaffin – Appeal was withdrawn.

2019-194 Chaffin – Request for records relating to bike lanes on Alabama Avenue. Matter was remanded to ANC 8E with instructions to promptly complete its search and disclose any non-exempt portions of responsive records.

2019-195 Chaffin – Request for records relating to bike lanes on Alabama Avenue. Matter was remanded to ANC 8A with instructions to promptly complete its search and disclose any non-exempt portions of responsive records.

2019-196 Chaffin – Request for records relating to bike lanes on Alabama Avenue. Matter was remanded to ANC 8B with instructions to promptly complete its search and disclose any non-exempt portions of responsive records.

2019-197 Chaffin – Request for records relating to bike lanes on Alabama Avenue. Matter was remanded to ANC 8C with instructions to promptly complete its search and disclose any non-exempt portions of responsive records.

2019-198 Chaffin – Request for records relating to bike lanes on Alabama Avenue. Matter was remanded to ANC 8D with instructions to promptly complete its search and disclose any non-exempt portions of responsive records.

2019-199 Chaffin – Request for records relating to bike lanes on Alabama Avenue. Matter was remanded to ANC 7E with instructions to promptly complete its search and disclose any non-exempt portions of responsive records.

2019-200 Chaffin – Request for records relating to in re bus shelter matter. Matter was remanded to ANC 4B with instructions to promptly complete its search and disclose any non-exempt portions of responsive records.

2019-201 Chaffin – Request for email communications discussing bylaws. Matter was remanded to ANC 6D with instructions to promptly complete its search and disclose any non-exempt portions of responsive records.

2019-202 Natoli – Request for records from MPD relating to a traffic accident. Appeal was dismissed as moot, because the appeal was based on MPD closing the request without providing the responsive records, and MPD has since provided requested records.

2019-203 Jenkins – Request for records related to an insurance complaint. Matter was remanded to DISB with instructions to promptly conduct a search and provide any non-exempt records or portions thereof that may exist.

2019-204 Austermuhle – Request for records “containing the phrases ‘Kim Kardashian’ or ‘Kardashian.’” Appeal was dismissed as moot, because the appeal was based on DOC’s failure to respond; DOC has since provided the responsive records.

2019-205 Tirana – Request to MPD for records related to the investigation of an accident where the estate of the requestor’s client was a victim. Appeal was dismissed because the requested records fell under the investigatory proceeding exemption.

2019-206 Volin – Request for public records relating to the State Health Planning and Development Agency. Appeal was dismissed because DOH conducted an adequate search for responsive records.

2019-207 Mills – Request to OCME for records relating to homicide victims in DC during 2019. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-208 Jarvis – Request for records relating to 911 calls “for service to MPD from October 2018 through June 2019.” Appeal was dismissed as moot, because the appeal was based on OUC’s failure to respond; OUC has since provided the responsive records.

2019-209 Tighe – Request for records related to a 911 call made by the requestor’s client. Appeal was dismissed as moot, because the appeal was based on OUC’s initial denial of request; OUC has since provided the responsive records.

2019-210 Pham – Request for body-worn camera footage. Appeal was dismissed as moot, because the appeal was based on MPD’s failure to respond; MPD has since provided the responsive records.

2019-211 Rose – Request for records related to a specified individual who may “had had contact with the police in Washington, DC sometime between 1933 and 1939.” Appeal was dismissed because MPD is not required by DC FOIA to create records or perform research for requestors.

2019-212 Shaw – Request from MPD for records related to a named individual. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-213 Mitchell – Request for specified records regarding an individual mentioned in a public incident report. Appeal was dismissed as moot, because the appeal was based on MPD’s initial denial of request; MPD has since provided the responsive records.

2019-214 Barber – Request for OAH to produce public records. Appeal was dismissed as moot, because the appeal was based on OAH’s failure to respond; OAH has since provided the responsive records.

2019-215 Towery – Request for records relating to the “Fletcher Johnson project.” Appeal was dismissed because EOM conducted an adequate search for responsive records.

2019-216 Towery – Request for records relating to the “Fletcher Johnson project.” Appeal was dismissed as moot, because the appeal was based on DMPED’s failure to respond; DMPED has since provided the responsive records.

2019-217 Towery – Request for records relating to the “Fletcher Johnson project.” Appeal was dismissed as moot, because the appeal was based on DMPED’s failure to respond; DMPED has since provided the responsive records.

2019-218 Towery – Request for records relating to the “Fletcher Johnson project.” Matter was remanded to DME with instructions to promptly conduct an appropriate search for and provide all responsive records which are non-exempt, in whole or in part, under DC FOIA.

2019-219 Montgomery – Request for records relating to a specified DOH employee’s actions concerning licensed veterinarians in the District. Matter was remanded to DOH to conduct a search for responsive records and promptly provide non-exempt portions to the requestor.

2019-220 Zavala – Request for records related to a specified 911 call that was made by the requestor. Appeal was dismissed because OUC conducted an adequate search for responsive records.

2019-221 Thompson – Request to DCHR for records regarding the employment status of a named individual. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-222 McMullen – Request for records relating to an MPD investigation of a traffic accident. Appeal was dismissed because the requested records fell under the investigatory proceeding exemption.

2019-223 Barber – Request for records related to a fire department report for a specified event. Appeal was dismissed because OUC conducted an adequate search for responsive records.

2019-224 Clark – Request for records related to wage information. Appeal was dismissed because it was intended for DOES but filed with OIG; therefore, DOES never received the appeal.

2019-225 Trazell – Request for records related to the requestor’s employment application. Appeal was dismissed as moot, because the appeal was based on DOC’s failure to respond; DOC has since provided the responsive records.

2019-226 Brauer – Request for public record relating to the requestor. Matter was remanded to MPD with instructions to promptly complete its review and to produce all non-exempt portions of any responsive public records.

2019-227 Giambrone – Request for DMPED emails. Appeal was dismissed as moot, because the appeal was based on DMPED’s failure to respond; DMPED has since provided the responsive records.

2019-228 MacDonald – Request for records relating to an auto accident involving the requestor’s client. Appeal was dismissed as moot, because the appeal was based on MPD’s failure to provide responsive records. MPD has since indicated that it would provide the responsive records.

2019-229 Roach – Request for records related to the refusal by the Office of the Recorder of Deeds to record certain documentation conveying a leasehold interest. Appeal was dismissed as moot, because the appeal was based on OCFO’s failure to respond; OCFO has since provided the responsive records.

2019-230 Pinchotti – Request for records related to “surveys received by Maury Elementary LSAT.” Appeal was dismissed because DCPS conducted an adequate search for responsive records.

2019-231 Barnett – Request for records related to traffic citations. Appeal was dismissed because MPD conducted an adequate search for responsive records.

2019-232 McNabb – Request for records related to a specified ticket. Appeal was dismissed because the DMV conducted an adequate search for responsive records.

2019-233 Mulhauser – Request for records relating to DCPS schools with substantiated claims of sexual abuse by an employee. Matter was remanded to DME with instructions to clarify scope of records request, promptly complete adequate search, and promptly provide non-exempt portions of responsive records.

2019-234 Thompson – Request for records related to emails sent by a specified DSLBD employee. DSLBD’s response was remanded in part to provide non-exempt records or portions thereof that may exist.

2019-235 Hunter – Request for records relating to DGS emails containing specified names. Appeal was dismissed as moot, because the appeal was based on DGS’s failure to respond. DGS has since indicated that it would provide the responsive records.

2019-236 Espino – Request to MPD for records related to a specified victim’s statement and incident report. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-237 McDuffie – Request for records related to Ellington Field. Matter was remanded to ANC 2E with instructions to promptly complete its search and disclose any non-exempt portions of responsive records.

2019-238 Zavala – Request to MPD for records related to a specified police report. Appeal was dismissed because the requested records fell under the personal privacy exemption.

2019-239 Jablow – Request for records relating to repairs at DCPS facilities. Appeal was dismissed because the agency conducted an adequate search.

2019-240 Douglas – Request for records related to MPD’s activities in Israel. Based on repeated failures of MPD to provide responsive documents, MPD ruled to have failed to comply with its obligations under FOIA with respect to the public records request in issue.
