Re: FY 2010 District of Columbia Freedom of Information Act Report

Dear Chairman Brown and Chairperson Cheh:

In accordance with the District of Columbia Freedom of Information Act¹ (D.C. FOIA), enclosed is the annual report of the FOIA disclosure activities of each “public body” (agency) of the D.C. government for the most recent fiscal year.

This report covers the period of October 1, 2009 to September 30, 2010 and contains data responsive to the annual reporting required by the FOIA to the extent available. Please note that each annual report is completed to the extent possible, but it has been difficult for some public bodies to locate complete records from the prior administration. To the extent that a public body does not report to the Mayor, information pertaining to that body may not be reflected in this report.

This report includes the following:

1. The number of FOIA requests received and the number of requests completed²;
2. The number of requests for records that had not yet been completed by September 30, 2010;
3. The average³ number of days that unfilled requests have been pending before each public body as of September 30, 2010 (i.e. of the incomplete requests, how long had they been waiting for a response, on average);

¹ Section 208 of the District of Columbia Freedom of Information Act of 1976, D.C. Official Code § 2-538 (2001), as amended by D.C. Law 13-283, the “Freedom of Information Amendment Act of 2000,” effective April 27, 2001

² “Completed” means that the requested information was delivered or that the request was denied in writing.

³ D.C. FOIA requires the “median” number of days, but we report the “mean” as we believe it is a more useful statistic here.

4. The number of determinations made by each agency not to comply with requests for records and the reasons for each determination;
5. The number of requests completed within fifteen (15) days;
6. The number of requests completed between sixteen (16) to twenty-five (25) days;
7. The number of requests completed in twenty-six (26) days or more;
8. The median number of days taken by each agency to complete requests;
9. The total amount of fees collected by each agency for processing requests;
10. The number of hours that staff devoted to processing requests for records, and the total cost expended by each public body for processing such requests; and
11. The number of employees found guilty of a misdemeanor for arbitrarily and capriciously violating any provision of the D.C. FOIA.

The enclosed report also includes details concerning the number of appeals received pursuant to section 207 of the Act (D.C. Official Code § 2-537 (a)), the results of the appeals, and the reason(s) for the action upon each appeal that resulted in a denial of information.

If you have any questions regarding this report, please contact Thorn Pozen, Special Counsel, Office of the Attorney General at thorn.pozen@dc.gov or Aretha Ferrell-Benavides, Deputy Secretary, Office of the Secretary of the District of Columbia, at aretha.ferrell-benavides@dc.gov.

Sincerely,
