DISTRICT OF COLUMBIA
GENERAL RECORDS SCHEDULE 15

Housing Records

The housing records covered by this schedule include files and data accumulated in the maintenance and management of District government-owned and operated housing facilities. Maintenance records reflect repair and general upkeep of the housing projects or units. Management involves the assignment and rental of units, rent collection and other fiscal operation, and overall supervision.

Certain housing records are subject to the provision of other sections throughout the DCGRS. Supply and fiscal files are covered under schedules 4, 8, and 9. Schedules 1, 2, 8, and 10 may also be involved. Many records of agent cashiers serving as housing rental managers are similar to those of other District government accountable officers, and are disposable under DCGRS 6.

Records created prior to January 1, 1921, must be offered to the D.C. Archives before applying the disposition instructions set forth in this schedule.

This general records schedule was approved by the Board of Commissioners on January 26, 1965.
