### Grant to Promote District of Columbia Voting Rights and Statehood

**Release Date: Friday, November 08, 2024**

**Application Due Date: Friday, December 13, 2024**

#### SECTION 1: FUNDING OPPORTUNITY

Effective November 08, 2024, the Office of the Secretary of State, (the Office of the Secretary) pursuant to the City-Wide Grants Manual and Sourcebook (Section .2) issues the Request For Applications (RFA) entitled Grant to Promote District of Columbia Voting Rights and Statehood to provide all eligible applicants the opportunity to submit specific program activities that educate Americans about Mayor Muriel Bowser and the New Columbia Statehood Commission's initiatives to achieve full voting rights in the United States Congress, and, ultimately, statehood for Washington, DC. This RFA will be open on November 08, 2024 and will close on December 13, 2024 at Noon.

#### **Background**

The residents of Washington, DC serve in the military and pay federal taxes but continue to lack full democracy and the rights that residents of other states and municipalities enjoy, including autonomy from congressional oversight and obstruction, and voting representation in Congress.

The District of Columbia Home Rule Act of 1973 provided limited "Home Rule" for the District by allowing election of a Mayor and City Council of the District of Columbia. Since the inception of Home Rule, the District's elected officials and various groups have pursued strategies to raise awareness, and to work towards achieving voting representation in the U.S. House of Representatives and U.S. Senate, and DC statehood. Yet, democracy for the District has been derailed by the Charter itself, the courts, non-germane proposals restricting the District on must-pass Congressional legislation, riders-on appropriations bills, and insufficient support for enactment of various budget autonomy and statehood proposals in the United States Congress.

For over a decade, the District has allocated funds to nonprofit organizations for educating citizens around the nation and pursuing strategies that highlight the lack of full democracy in the nation's capital. In addition, since 1990, District residents have elected a "shadow" delegation to Congress to promote statehood. District residents have voted for, and the Mayor has supported, amending the Charter to allow for budget autonomy. The DC Council established the New Columbia Statehood Commission in 2014, adding to the District's advocacy for full democracy. In November 2016, over 86% of voters in

Washington, DC overwhelmingly approved an advisory referendum, confirming the desire to become the 51st state of the United States. In June 2020 the US House of Representatives held the first vote to establish Washington, DC as a state.

The 117<sup>th</sup> Congress saw the most progress made on statehood for the residents of the District of Columbia with the introduction of HR 51 the Washington, DC Admissions Act, and its companion bill in the Senate S. 51. On April 22, 2021, the House of Representatives passed the [H.R.51 - Washington, DC Admission Act](#), the DC Statehood bill for the second time in history with a vote of [216-208](#). The bill is pending action in the Senate. In the 118<sup>th</sup> Congress, Representative Eleanor Holmes Norton introduced H.R. 51 on November 8, 2023 anew.

The Office of the Secretary is charged with the responsibility of managing the funds allocated for voting rights and statehood initiatives. The Fiscal Year 2025 Budget authorized \$200,000 for the Office of the Secretary to issue competitive grants that promote voting rights and statehood for Washington, DC.

### **Purpose of the Program**

The objective of this grant is to strengthen awareness for statehood for Washington, DC. This effort will require outreach, canvassing, and measurement of support of elected officials and Americans across the country, and visitors to the nation's capital. The goal of this program is that the grantee(s) increase congressional and nationwide support for statehood for Washington, DC.

This program is funded with FY2025 funds, which must be expended by September 30, 2025, with a full accounting provided to the Office of the Secretary no later than October 31, 2025. The final report in FY 2024 will require a response in a prescribed format.

## **SECTION II: AWARD INFORMATION**

\$200,000 in District of Columbia funds will be available on a competitive basis as follows:
